# DAIWA BROLLIES

Daiwa Brollies Two of the most popular umbrellas of all time, these umbrellas are designed primarily for the match angler with flat back and pole zips either side for easy pole shipping.

## TOURNAMENT SHIELD

One of the most popular umbrellas ever amongst match anglers the Tournament Shield uses a fully waterproof PVC canopy and welded seams to offer the ultimate in protection from the elements. It features zips in both left and right hand panels so users can ship their pole through the canopy at their preferred side. It features screw down angle tilt for solid positioning and is 125cm.

DW2689
RRP: £74.99
**£59.99**
**SAVE £25**

## TEAM DAIWA LEVEL PEGGER MK2

The Team Daiwa Levelpegger Mk2 umbrella is similar to the Tournament Shield brolly, in that they both use the same new 6mm fibreglass ribs and spokes. However, the 110cm Levelpegger is slightly smaller and also uses a lighter gauge of canopy. The Levelpegger has zips at the left and right hand panels, so pole users can ship through the canopy at their preferred side.

The brolly has a screw down angle tilt, ensuring solid positioning.

## REGAL Z & X

BEST SELLER

With fantastic looks and continuing the tried and tested combination of front drag with the smoothness our BR Free Spool system the new Regal BR's are a 'Best Seller' in the making. Eight models offer superb choice across four different sizes. Designed to cover every style of predator and specimen fishing it is the biggest 5000 size which will handle the line capacity needed for big distances. The smaller 3500 is highly versatile in terms of size but gives nothing up on the power front, maintaining the quality of fish control that you should expect from a Daiwa front drag. With a machined engine plate, AirBail and a TiN plated line roller they designed to be tough and durable making them an excellent investment. New 3000 Size available for 2012 ideal specialist/commercial size reel.

PRESTON INNOVATIONS

# 2012

## PRESTON INNOVATIONS ABSOLUTE

Until now the name 'Absolute' has been reserved only for our very best, top-end poles, but when we had our team of star consultants literally arguing about who got to use each of the samples, there was clearly only one name appropriate for this stunning range of rods.

### 12FT SUPER FLOAT

Incredibly light and crisp, this stunning rod has a delightful fish playing action. The delicate hollow tip cushions any sudden lunges and is ideal for light hooklengths and small hooks.

PR3561 ONLY £189.99

### 13FT SUPER FLOAT

The 13ft Super Float is a beautifully refined, responsive rod, and is the result of 12 months continual development to produce a rod suitable for a World Champion.

PR3563 ONLY £199.99

### 15FT FLOAT

Designed for all-round river work and distance float fishing, the 15ft Float is the perfect tool when casting performance and ultra fast line pick up are required.

PR3565 ONLY £229.99

### 11FT 6IN SUPER FEEDER

Ideal for targeting skimmers and bream with either open ended or method feeders at venues like Porth reservoir, as well as bomb fishing in winter where the soft through action works perfectly with light hook lengths

PR3558 ONLY £195.00

### 12FT SUPER FEEDER

It can handle light hooklengths thanks to the design of the tip section, which makes it an outstanding bream or river chub rod, but also has power in the butt section which really comes into its own when a longer cast is required.

PR3560 ONLY £199.99

## PRESTON INNOVATIONS CARBON ACTIVE MINI

This expansive range of models are perfect for casting tight to features, where the shorter length provides unrivalled accuracy on the cast. The shorter length is also better for playing fish to the net, as it means that fish surface closer to the bank making netting much easier.

### MINI 10FT CARP FEEDER

At 10ft long, the Mini Carp offers better casting accuracy over shorter distances than normal feeder rods. Supplied with 2 tips. 2pc 3-8lb line rating

PR1027 ONLY £149.99

### MINI 11FT CARP FEEDER

Based around the 10ft carp the 11ft offers the extra length to enable you to cast slightly longer distances. Suitable for use with small/medium sized feeders and targetting match sized carp. 2pc 3 tips 3-8lb line rating.

PR2901 ONLY £159.99

### MINI 11FT 6' CARP FEEDER

The 11ft 6" Carp has been developed for those occasions where extra casting ability is required. Suitable for casts up to 80 yards. The increased strength in the butt section provides greater control and enables a feeder to be punched out in adverse conditions.

PR3573 ONLY £169.99

### F1 9FT MINI FEEDER

Specificaly developed for short range feeder fishing for small carp. The shorter 9ft length and slim through actioned blank is ideal for those awkard short casts where the extra length of a longer rod is not accurate enough. 2pc 2 tips 3-6lb line rating.

PR2994 ONLY £134.99

### F1 10FT MINI FEEDER

The 10ft F1 Mini features a through action to keep hook pulls to a minimum when fish are at close range. The slim lightweight blank features high quality ceramic guides and a top quality cork handle with a soft touch reel seat. 2pc 2 tips 3-6lb line rating.

PR2995 ONLY £144.99

### MINI F1 12FT FLOAT 2PCE

This fantastic 12ft rod incorporates the unique Mini F1 characteristics. The forgiving, soft through action makes this rod perfect for winter carp fishing as well as targeting the notoriously shy biting F1's.

PR3571 ONLY £159.99

### MINI F1 12FT POWER FLOAT 2PCE

These are superb new additions to the Preston Mini 2-Piece series of rods. Being that bit longer than the existing rods, they allow for distance casting without compromising on accuracy.

PR3572 ONLY £159.99

### MINI 11 FLOAT 2PCE 2-4G

The 2-4g lighter model is designed to be used with traditional wagglers and small pellet wagglers and is rated to 3-6lb mainline. The short length of these rods aid casting accuracy and their through action provides the power required when needed.

PR2685 ONLY £139.99

### MINI 11 FLOAT 2PCE 4-10G

The 4-10g version is designed for lines from 3-8lb and is ideal for all types of pellet and large waggler fishing. Both the 11ft float rods have short handles of 50cm to make moving them around your body easier when playing fish. 3-6lb line rating.

PR1237 ONLY £139.99

## PRESTON INNOVATIONS REELS

### PRESTON INNOVATIONS INCEPTION

The brilliant Inception has received rave reviews in the angling press and is a new generation of reel designed to provide anglers with the perfect tool to cope with the rigours of modern match fishing. The unique oversized spool has been designed to help anglers cast further with less effort when using thicker line. 10 ball bearings and 1 spare spool

| Code | Model | RRP | Price |
|---|---|---|---|
| PR2993 | 3000 | ~~£199.99~~ | £169.99 |
| PR3021 | 4000 | ~~£199.99~~ | £169.99 |

### PRESTON INNOVATIONS PC-R

The PC-R Competition range has been developed to provide precision engineering and enhanced performance, combined with the feeling of power and durability. The push button, quick release aluminium spool delivers the top quality front drag system and features an oversized line clip for supreme confidence on the cast. Operating on 9 stainless steel ball bearing, these stunning reels are incredibly smooth, deliver superb line lay, and have all the winding power demanded by the modern match angler.

NEW 2012

| Code | Model | Price |
|---|---|---|
| PR3450 | 3000 | £120 |
| PR3451 | 4000 | £120 |
| PR3452 | 5000 | £120 |
| PR3453 | 6000 | £120 |

### PRESTON INNOVATIONS PXR POWER REEL

Developed over the last 12 months the PXR 5000 has been exhaustively field tested. And, in the most unforgiving match fishing situations, has acquitted itself admirably finding favour with our Dutch consultants for their long range feeder fishing. Equipped with 10 ball bearings to make retrieving rigs from the distances made possible by the long cast spool effortless. 10 ball bearings and 1 spare spool.

| Code | Model | RRP | Price |
|---|---|---|---|
| PR3022 | 5000 | ~~£119.99~~ | £89.99 |

## PRESTON INNOVATIONS NETS AND HANDLES

### QUICK DRY KEEPNET

Incorporating the exclusive Preston FixAngle locking system these nets use a material and mesh that holds much less water than other examples – the obvious advantage being that the net will dry out much quicker after use

| Code | Size | Price |
|---|---|---|
| PR1117 | 3m | £39.99 |
| PR1637 | 3.5m | £42.99 |

### COMPETITION HANDLES

Premium grade take apart landing net handles available at two lengths. The new lightweight competition handles are slim and easily manoeuvred, whilst still being strong enough to deal with carp fishing.

| Code | Size | Price |
|---|---|---|
| PR3574 | 2.7m | £49.99 |
| PR3575 | 4m | £74.99 |

### MATCH COMBO

An innovative commercial Match Combo option that includes a 3m Blue Carp and 2.5m Silver net supplied together in a two-sectioned carry bag. Perfect for match angler who need two nets for commercial waters.

PR1002 ONLY £79.99

### DEEP QUICK DRY LANDING NET

Manufactured from a square profile for increased strength the frame has the mesh fixed inside making this net easily manoeuvrable through the water, features deeper mesh and a shaped bottom panel which cradles fish making it suitable for larger carp.

| Code | Size | Price |
|---|---|---|
| PR3186 | 18" | £13.99 |
| PR3187 | 20" | £15.99 |

### HAIR NET II

Manufactured with a strong square profile frame with the mesh attached to the inside of the frame making it neater and easier to pass through the water. The fine nylon mesh makes it suited to hair rigging because your hair won't pass through.
This net is also perfect for traditional silver fish fishing.

| Code | Size | Price |
|---|---|---|
| PR2675 | 18' | £14.99 |
| PR2676 | 20' | £15.99 |

### LATEX TILT LANDING NET

The strong 'D' profile frame has a tilted spreader block which makes this net ideal for fast netting of small fish

PR2449 RRP: £17.99 £9.99 SAVE £8

# PRESTON INNOVATIONS BOXES & ACCESSORIES

Scan this code to see the full Preston range on our website

## PRESTON INNOVATIONS SPACE STATION XS II

The NEW Preston Space Station XS II features a lower frame than the previous Space Station which allows more units to be added under the seat. This makes it more versatile. It comes with a two compartment tray fitted directly to the frame, a deep drawer unit and a two compartment add on unit which can be used either attached to the deep base unit as part of a stacking system or fitted above the frame. The new style footplate offers increased grip thanks to a new covering finish and a more stable base.

Continuing with the large footprint and large profile legs from previous Space Stations the XSII features non marking legs and cassette style slide out footplate.

Comes supplied with full instructions and parts to convert the 2 compartment unit into a sliding unit which fits into the frame.

## PRESTON INNOVATIONS SPACE STATION COMPACT

The Space Station Compact has been developed to offer all the benefits of the larger Space Station XSII, but with a more compact frame for easier transportation. It also features a removable footplate, which is adjustable on the leg system, allowing the angler to adjust it to the most comfortable fishing position. The Space Station Compact is supplied with a two compartment unit fixed to the frame, a deep drawer unit and a deep sliding compartment which fits under the frame. It also has a covered footplate which provides a stable fishing platform.

# PRESTON INNOVATIONS ACCESSORIES

## MEGA PRO V ROLLER

The Mega Pro V Roller is the highest quality roller we have ever produced. The ultra sturdy tripod features legs that can be laid out flat, providing the most stable set up possible. With its range of height adjustments it can also be set high enough to navigate over any tall obstacles. Featuring the same rollers as used on the Super Pro V, with its centre roller made in two parts, perfect for situations where you need to break down twice.

PR3443
ONLY
**£89.99**

## SUPER PRO V ROLLER

Based on the popular Pro V Roller, there are several key differences on the Super version. An extra set of internal legs enable the roller to be set higher than before. To prevent overbalancing the base of the centre section has a clip suitable for attaching a groundbait bucket or carryall making the roller more stable

PR2451
ONLY
**£59.99**

## PRO FLAT ROLLER

Featuring a rapid assembly design, these lightweight flat rollers come with their own compact padded bag for ease of carrying. The standard roller offers a large 500mm wide bed for positive pole location and the XL version has a width of 700mm.

| Code | Size | Price |
|---|---|---|
| PR1310 | Standard | £54.99 |
| PR1536 | XL | £59.99 |

## PRO V ROLLER

The UK's best selling V pole roller! Based on an ultra lightweight tripod, this roller has been a huge success since its launch. Not only does it have height adjustable features, it also has the added advantage of being able to alter the angle at which the legs are set, making any type of bankside terrain easy to cope with.

PR1118
ONLY
**£49.99**

## FREEFLOW ROLLER

Manufactured with unique tapered rollers to improve its free flowing nature, whilst eliminating the danger of the pole riding up during use. Based around the same tripod as used on the hugely successful Pro V Roller, but with the added feature of a clip at the base of the upright that can be used to hold the roller steady in windy conditions by clipping to a net or rod bag. Complete with padded carry case.

PR2450
ONLY
**£49.99**

## PRO TRIPOD

Lightweight and very stable, the Pro Tripod can take all screw fitting attachments like rod rest heads, pole rollers and pole roosts.

PR1308
ONLY
**£32.99**

## ROLLER STOPS

This clever attachment has been designed to end the age old problem of poles blowing up and out of V rollers, resulting in many expensive broken sections.

PR3393
ONLY
**£12.99**

## POLARISED SUNGLASSES

The polarised lens removes the glare on the wa-ter allowing you to see down below the surface, making fish spotting much easier as objectswill appear more defined, sharper and naturallycoloured.

### CLASSIC

## PRESTON INNOVATIONS QUICK CONE & BAIT MOULD

This multi-functional baiting tool speeds up the process of adding a pellet cone to your hooklength. No longer is there the need to detach your hooklength every time you want to bait up. The innovative Quick Cone is also perfect for moulding consistent sized balls of pellets or groundbait for feeding, as well as moulding multiple baits around your hookbait.

| Code | Size | Price |
|---|---|---|
| PR3444 | Small | £2.99 |
| PR3445 | Medium | £2.99 |
| PR3446 | Large | £2.99 |

NEW 2012

## PRESTON INNOVATIONS PELLET FEEDERS

Preston Inline Pellet Feeders have been developed to use with damp pellets, using a short hooklink you can present your hookbait right amongst your feed.

These elasticated feeders have been developed to use with damp pellets. By using a short hooklink you can present your hookbait right amongst your feed. Both types have a flat design so that they hold position when the bottom of the target area is sloping.

| Code | Size | Price |
|---|---|---|
| PR3167 | Inline Small 20g | £1.99 |
| PR3168 | Inline Small 30g | £1.99 |
| PR3169 | Inline Large 25g | £1.99 |
| PR3170 | Inline Large 40g | £1.99 |
| PR3171 | Elasticated Small 20g | £2.25 |
| PR3172 | Elasticated Small 30g | £2.25 |
| PR3173 | Elasticated Large 25g | £2.25 |
| PR3174 | Elasticated Large 40g | £2.25 |

## PRESTON INNOVATIONS BANJO FEEDERS

NEW 2012

Masterminded by commercial expert Andy Findlay, this new style of feeder literally provides 'dinner on a plate' for commercial carp. The way the Banjo feeder is loaded with the hookbait in the middle of the circular plate, and the way it deposits the feed pellets by forcing them to erupt out, covering the feeder and leaving the hookbait sitting dead centre, provides the perfect presentation every time as the area of feed is so confined

### INLINE BANJO FEEDER

The recess in the front of the feeder accepts a multitude of our feeder link accessories, such as ring and standard swivels, as well as the Quick Change Method Feeder Bead, each of which will provide a safe semi-fixed rig. Alternatively for a completely free running rig, they can be used in conjunction with a Korum Quick Change Bead.

| Code | Size | Price |
|---|---|---|
| PR3293 | Small 15g | £1.99 |
| PR3294 | Small 30g | £1.99 |
| PR3295 | Small 45g | £1.99 |
| PR3299 | Large 15g | £1.99 |
| PR3300 | Large 30g | £1.99 |
| PR3301 | Large 45g | £1.99 |

### ELASTICATED BANJO FEEDER

The same shape and design as the In-line variant, the elasticated version features a length of shock absorbing elastic running through the central tube. The tube helps to prevent the elastic from perishing , and provides a very neat set up.

| Code | Size | Price |
|---|---|---|
| PR3296 | Small 15g | £2.25 |
| PR3297 | Small 30g | £2.25 |
| PR3298 | Small 45g | £2.25 |
| PR3302 | Large 15g | £2.25 |
| PR3303 | Large 30g | £2.25 |
| PR3304 | Large 45g | £2.25 |

### FEEDER QUICK RELEASE MOULD

Developed to allow perfect loading of groundbait or pellets onto the Banjo Feeder, ensuring optimum presentation and more accurate casting. Featuring the same quick release button mechanism as found on the standard flat method feeder moulds.

| Code | Size | Price |
|---|---|---|
| PR3305 | Small | £2.99 |
| PR3306 | Medium | £2.99 |

## PRESTON INNOVATIONS INLINE METHOD FEEDERS

Can be used on their own or as part of a system with the Quick Release Method Mould. The flat-bottomed design makes them ideal for all situations, including casting tight to the sloping banks of an island. The recess in the front of the feeder accepts a ten size swivel, which will provide just enough tension to make a semi-fixed rig.

| Code | Type |
|---|---|
| PR2552 | Small 15g |
| PR2553 | Small 30g |
| PR2307 | Large 15g |

| Code | Type |
|---|---|
| PR2308 | Large 30g |
| PR2699 | X-Large 30g |
| PR2700 | X-Large 45g |

**£2.20**

## PRESTON INNOVATIONS ELASTICATED FLAT METHOD FEEDERS

**£2.30**

The flat-bottomed design ensures they always land the correct way up with the bait at the top of the groundbait or moulded pellet ball. The light brown/translucent colour blends in with both groundbait and the bottom.

| Code | Type |
|---|---|
| PR2557 | Small 15g |
| PR2558 | Small 30g |
| PR2554 | Large 15g |
| PR2555 | Large 30g |
| PR2556 | Large 45g |
| PR2701 | X-Large 30g |
| PR2702 | X-Large 45g |

## PRESTON INNOVATIONS WIRE CAGE FEEDER

The Wire Cage Feeder features a wide lead. This offers increased stability when cast tight to islands The ultra strong, non-glare cage construction resists damage when cast into shallow water. The special anti-tangle feeder link helps with casting by absorbing shock.

| Code | Model | Price |

| PR2213 | Large - 50g | £1.70 |
| PR2214 | Large - 70g | £1.70 |

## PRESTON INNOVATIONS OPEN ENDED FEEDER

The Open Ended Feeder features a wide lead for increased stability, whilst the natural camouflage colour is unobtrusive to fish. The semi-flexible feeder link helps to reduce tangles by making the feeder stand away from the rig.

Available in:
•Small 20g & 30g
•Medium 20g & 30g
•Large 20g & 30g

| Code | Model | Price |
|---|---|---|
| PR2942 | Small 20g | £1.20 |
| PR2943 | Small 30g | £1.20 |
| PR2944 | Medium 20g | £1.20 |

| PR2946 | Large 20g | £1.20 |
| PR2947 | Large 30g | £1.20 |

## PRESTON INNOVATIONS QUICK RELEASE METHOD MOULD

Developed to allow perfect loading of groundbait onto the Preston Innovations In-line Flat Method feeders the Quick Release Method Mould quickly forms a perfect feeder full of groundbait or pellets every time. This ensures more accurate casting due to the constant size of the loaded feeder.

| Code | Type |
|---|---|
| PR2454 | Large |
| PR2571 | Small |
| PR2815 | XL |

**£2.99**

## PRESTON INNOVATIONS METHOD FEEDER QUICK CHANGE BEADS

The Method Feeder Quick change bead has been designed to provide a safe semi-fixed bolt rig, with the added benefit of being able to quick change your hooklength. Specifically designed to fit all in-line styles of feeders, it provides the perfect neat set up.

**PR3449**
**£1.99**

## PRESTON INNOVATIONS LOADED INSERT PELLET WAGGLER

Incorporating an insert, these wagglers combine the attractive splash with increased sensitivity offered by an insert. Ideal for shy fish. The loading makes them suitable for use with Preston Waggler Adapters as no additional loading is required.

| Code | Type |
|---|---|
| PR1906 | 4gr |
| PR1907 | 6gr |
| PR1908 | 8gr |

**£3.50**

## PRESTON INNOVATIONS DUMPY PELLET WAGGLER

Made with a dumpy body to create a splash and to help the float diving. The thick tip is easy to see and prevents the float diving under from false bites and line bites.

| Code | Type |
|---|---|
| PR1912 | 4gr |
| PR1913 | 6gr |
| PR1914 | 8gr |

**£3.50**

## PRESTON INNOVATIONS UNLOADED INSERT PELLET WAGGLER

Supplied complete with a Preston adapter to make changing floats quick and easy, the Unloaded Pellet Wagglers allow you to alter the shotting according to the conditions, dotting it right down if conditions dictate .

| Code | Type |
|---|---|
| PR1909 | 4gr |
| PR1910 | 6gr |
| PR1911 | 8gr |

**£2.30**

## PRESTON INNOVATIONS PELLET WAGGLER FLOAT STOP KIT

The Pellet Waggler Float Stop Kit is perfect for securely locking pellet wagglers to your mainline without the need for shot which can often damage the line resulting in lost fish. Simply pass the end of your main line through the wire to form a loop and then slide the stops and snap swivel onto your line resulting in one stop above the float and three below.

**£2.30**

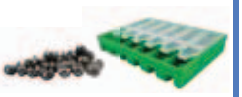
## PRESTON INNOVATIONS SLIP SHOT DISPENSER

Slip Shot has a very thin, dark blue PTFE coating. This reduces line damage when moving the shot and also prevents the white covering, caused by lead oxidisation, that occures over time. Accurately calibrated for consistent weight, Slip Shot are made from very soft lead and have a well formed, central cut groove. Includes sizes 8-13.

**PR1152** **£7.99**

## PRESTON INNOVATIONS NON-TOXIC DISPENSER

Preston Non Toxic Shot is made from soft dense alloy that is accurately calibrated for consistent weight. The grooves are designed to be closed with gentle finger pressure and the special recess in the top of the groove enables them to be opened easily with your finger nail. Includes sizes no6 to SSG.



**PR1666** **£7.99**

## PRESTON INNOVATIONS WAGGLER ADAPTORS

The soft plastic Waggler Adaptor is designed for attaching loaded floats without the need for shot.
5 pieces per pack.

**PR1269** **£3.25**

## PRESTON INNOVATIONS BIG FLOAT WAGGLER ADAPTORS

Designed for use with loaded splasher wagglers where locking shot aren't required.

**PR2686** **£3.50**

## PRESTON INNOVATIONS STOTZ DISPENSER

Stotz are a hybrid shot designed for use on larger diameter lines(they also work perfectly on fine diameters too).

**£6.99** **PR1158**

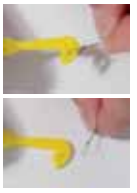
## PRESTON INNOVATIONS STOTTA

Developed to make the application of the application of stotz even easier.

**£4.99** **PR1572**

## PRESTON INNOVATIONS LOOP TYERS

Preston Innovations Loop Tyer is used to consistently tie loops that are ideal hair rigs and hook length loops. The other end of the loop tyer is a standard size disgorger.



| Code | Size | Price |
|---|---|---|
| PR2673 | Small | £3.50 |
| PR3251 | Large | £3.50 |

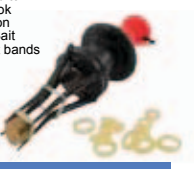
## PRESTON INNOVATIONS DISGORGER

Plastic disgorger with two different ends. One end has traditional slot and the other a loop end for larger hooks. Choice of Small or Large.

| Code | Size | Price |
|---|---|---|
| PR3596 | Small | £0.75 |
| PR3595 | Large | £0.75 |

## PRESTON INNOVATIONS PELLET BANDER

Makes baiting up using bait bands quick and easy. Can be used to attach bait directly to the hook or hair. Also available Preston Innovations Hair Rigs with Bait bands and replacement Bait bands in 3.2mm and 4.8mm.



**PR2573** **£4.99**

## PRESTON INNOVATIONS RING SWIVELS

Preston Ring Swivels are ideal for use in conjunction with In-Line Flat Method Feeders to make a safe semi-fixed rig.

**£2.50** **PR3637**

## PRESTON INNOVATIONS LINK SWIVELS

| Code | Model | Price |
|---|---|---|
| PR2856 | 10 | £1.50 |

| PR2549 | 0.26mm 12lb 5oz | £4.99 |

## PRESTON INNOVATIONS STORA BUNGS

Midi Stora Bungs are designed to fit most number 2 sections whilst the larger Maxi Stora Bungs fit most number 3 sections or power number 2 kits.

| Code | Description | Price |
|---|---|---|
| PR0394 | 2 Bungs. Maxi | £3.50 |
| PR0395 | 2 Bungs. Midi | £3.50 |
| PR0396 | 1 Bung & 1 Extractor. Maxi | £3.50 |
| PR0397 | 1 Bung & 1Extractor. Midi | £3.50 |
| PR2297 | 2 Extractors | £2.99 |
| PR0942 | Mega Bung - 2 Per Pack | £3.50 |
| PR0943 | Mega Bung & Extractor | £3.50 |

## PRESTON INNOVATIONS PULLA BUNG

Manufactured from a lightweight plastic the pulla bung enables you to pull your elastic tighter after unshipping your top kit. The advantage is that you can use lighter elatics for small carp, but tighten it for netting if you hook a bonus fish.

| Code | Model | Price |
|---|---|---|
| PR1587 | Pulla | £2.99 |
| PR3550 | Large Pulla | £5.99 |

## PRESTON INNOVATIONS DIAMOND EYE THREADER XL

Designed with a diamond shaped eye that grips the elastic, the Preston Threader is an extra long length (2.1m) for long top twos

**PR0333** **£2.99**

## PRESTON INNOVATIONS STORA-PULLA BUNG & WINDERS

The stora-pulla bung has been developed to allow you the advantage of a pulla bung whilst still being able to adjust the tension of your elastic without having to retie.

| Code | Model | Price |
|---|---|---|
| PR4172 | Stora-Pulla Bung | £3.50 |
| PR4173 | Pulla Bung Winders | £2.99 |

## PRESTON INNOVATIONS HOLLO ELASTIC

Manufactured from the very highest quality raw materials available and to the strictest quality standards.

| Code | Size | Colour | Price |
|---|---|---|---|
| PR0944 | 9 | Light Blue | £9.99 |
| PR1531 | 11 | Red | £9.99 |
| PR0945 | 13 | Green | £9.99 |

# MAVER RODS 2012

## ABYSS X

"You're looking at the best value float rod I've seen in 18 years of testing tackle. The Maver Abyss 10ft Match rod looks, feels and performs stratospherically above it's humble price tag and if you find one in the shops, buy it, because if you don't, the next bloke will." Dave Woodmansey, IYCF (Abyss X 10ft match review)

### 10FT MATCH 2 PIECE

The Abyss X Range offers unrivalled value, this 10ft Match 2 piece rod is incredible for under £40. Great for commercials when shorter casts are required. Through action 3-6lb line rating.

MV1229
ONLY
**£32.99**

### 11FT MATCH 2 PIECE

If it's a shorter float rod you're after but the 10ft is maybe just a touch too short this model is the one to go for. A great pellet rod, and short float rod. Through action 3-6lb line rating.

MV1230
ONLY
**£34.99**

### 12FT MATCH 2 PIECE

A more traditional length float rod at 12ft but still 2 piece construction for convenience when wanting to leave set up. A great all round commercial float rod. Through action 3-6lb line rating.

MV1231
ONLY
**£36.99**

### 12FT MATCH 3 PIECE

12ft 3 piece rod for the angler looking for a more traditional float rod for all types of venues and not necessarily mostly commercials.Through action 3-6lb line rating.

MV1232
ONLY
**£36.99**

### 9FT FEEDER 2 PIECE

A superb 9ft 'picker' style rod ideal for commercials, particularly when shorter casts are required on narrow venues or when fishing to islands and features.

MV1427
ONLY
**£35.99**

### 10FT FEEDER 2 PIECE

Short 2 piece feeder rod, a great bomb and pellet rod. Also great for 'canal' type commercials were a short cast is required. Through action, 3-6lb line rating, 2 tips.

MV1233
ONLY
**£36.99**

### 11FT FEEDER 2 PIECE

A great feeder rod for small to medium sized feeders and leads, if you want one rod to do a bit of everything including maybe small methods this is it. Through action 3-6lb line rating, 2 tips.

MV1234
ONLY
**£39.99**

### 12FT FEEDER 3 PIECE

Longer more standard 12ft length feeder rod, ideal for medium to heavier work. Well suited to larger or more open venues when longer casts and heavier gear maybe required. Through action 3-6lb line rating, 2 tips

MV1235
ONLY
**£46.99**

## GENESIS BLACK ICE

New and improved for 2012 all rods feature the stunning 'black ice' carbon finish and top quality fittings throughout.

• EVA twist grip • High quality lined guides throughout • Quality graphite screw reel fitting • Folding hook keeper ring

NEW LOWER PRICES

### 10FT MATCH 2 PIECE

If you're after a short 10ft match rod for your pellet and commercial work look no further. Ideal for fishing with small to medium pellet wagglers this rod has a superb action. Medium through action 3-8lb line rating

MV1225
RRP: £64.99
**£49.99**
**SAVE £15**

### 11FT MATCH 2 PIECE

Slightly longer than the 10ft version for when a little more distance is required. It also has a slight increase in power and is great for medium sized wagglers. A good all round commercial float rod. Medium through action 3-8lb line rating.

MV1226
RRP: £69.99
**£54.99**
**SAVE £15**

### 12FT MATCH 2 PIECE

The high modulus carbon 12ft two piece rod with its sublime through action is the perfect tool for modern day commercial match fishing with a pellet or splasher waggler. Medium through action 3-8lb line rating.

MV1067
RRP: £74.99
**£59.99**
**SAVE £15**

### 13FT MATCH 3 PIECE

A more traditional 13ft 3 piece float rod. A great all round rod, perfect if you're after one float rod to do it all. Medium through action 3-8lb line rating.

MV1065
RRP: £74.99
**£64.99**
**SAVE £10**

### 10FT FEEDER 2 PIECE

Becoming more and more popular season after season, short feeder rods are now common place on all commercials. Great for bomb work, and perfect for cold water carping. Medium through action 3-8lb line rating, 3 tips.

MV1227
RRP: £64.99
**£49.99**
**SAVE £25**

### 11FT FEEDER 2 PIECE

A great all round feeder rod, the two piece construction indicates that it's primarily designed for commercials but it would be well suited for all types of feeder work. Medium through action 3-8lb line rating, 3 tips.

MV1228
RRP: £69.99
**£54.99**
**SAVE £15**

### 12FT FEEDER

The high modulus 12ft two piece rod with its sublime through action is the perfect tool for modern day commercial match fishing with a method or conventional feeder. Medium through action 3-8lb line rating, 3 tips.

| Code | Model | RRP | Price |
|---|---|---|---|
| MV1066 | 12ft 2pce | ~~£74.99~~ | £59.99 |
| MV1443 | 12ft Extreme 3pce | ~~£99.99~~ | £74.99 |

### 12FT COMMERCIAL COMBO

A rod designed specifically for catching large fish on commercial venues. Supplied with a float tip as well as a carrier section and 3 carbon push in quiver tips. Heavy through action 4-10lb line rating.

MV1064
RRP: £74.99
**£64.99**
**SAVE £10**

## POWERLITE RANGE

Each rod features a stunning high gloss finish, with quality SiC lined guides throughout, full cork handle, EVA top grip and quality screw reel fitting, and a folding hook keeper ring and supplied in quality rod bag.

### 10FT MATCH 2 PIECE

New shorter 10ft match version for 2011 this 2 piece rod is the perfect short pellet rod. Great for short to medium range on commercials. Through action 3-8lb line rating.

MV1222
RRP: £84.99
**£69.99**
**SAVE £20**

### 11FT MATCH 2 PIECE

Two piece rods are now commonplace throughout match fishing circuits, as they enable the angler to be 'ready to go' in seconds. The ultra light 11ft version is perfect for when that shorter cast is needed. Through action 3-8lb line rating.

MV1020
RRP: £94.99
**£74.99**
**SAVE £20**

### 12FT MATCH 2 PIECE

An excellent 2 piece 'pellet waggler' rod. Longer than the 11ft version this is ideal when a longer cast is required. Through action 3-8lb line rating.

MV1061
RRP: £110
**£89.99**
**SAVE £20**

### 13FT MATCH 3 PIECE

Not everyone wants or needs a two piece rod. This conventional 13ft three piece rod is a true all-rounder, perfect for any float fishing situation. Through action 3-8lb line rating

MV1060
RRP: £110
**£89.99**
**SAVE £20**

### FEEDER 2 PIECE

A superb bomb rod for commercials, a great winter carping tool.

| Code | Model | RRP | Price |
|---|---|---|---|
| MV1442 | 9ft | £74.99 | £59.99 |
| MV1223 | 10ft | £84.99 | £69.99 |

### 11FT FEEDER 2 PIECE

A great all round feeder rod, ideal for commercials and mixed fisheries. If you need one rod to catch skimmers, F1's and proper carp, this is it. Through action 3-8lb line rating, 3 tips

MV1224
RRP: £89.99
**£74.99**
**SAVE £15**

### 12FT FEEDER 2 PIECE

Designed to be housed in a ready rod holdall, the Powerlite 12ft 2 piece is the perfect tool for targeting commercial fisheries using conventional or method feeders. Through action 3-8lb line rating, 3 tips.

MV1021
RRP: £110
**£89.99**
**SAVE £20**

### 15FT / 17FT MATCH

Built to a similar specification to the Reactorlite 15ft/18ft. This strong but surprisingly 'tippy' float rod is the perfect tool for commercials down the edge. Tip to middle action 3-8lb line rating.

MV0619
RRP: £115
**£94.99**
**SAVE £20**

## REACTORLITE

The Reactorlite range of rods offer todays match angler everything they could ever require. Manufactured from the unique high tonne radial carbon process which refuses to lock up, even under the most extreme pressure.

### 10FT 6" FEEDER

This stunning, lightweight tip rod has been designed specifically for commercial match fishing, where the sublime two piece blank allows anglers to arrive at their peg ready to go.

MV1451
RRP: £159.99
**£134.99**
**SAVE £25**

### 11FT MATCH

This delightful 11ft rod has been designed for modern match angling where longer rods are simply unnecessary. Perfect for fishing the pellet waggler, where the shorter length means the fish 'pop up' much closer.

MV1452
RRP: £149.99
**£134.99**
**SAVE £15**

### 9FT MULTI TIP

A new addition to the Reactorlite Feeder range is this superb, lightweight multi-tip rod that has been designed specifically for commercial match fishing, where the sublime two-piece, high modulus carbon blank allows anglers to arrive at their peg ready to go.

MV1453
RRP: £140
**£124.99**
**SAVE £25**

# stillwater MIRROX COARSE RODS

*An incredible new range of rods from Stillwater. All the rods in the Mirrox range feature slim carbon blanks and have awesome fish playing actions. All rods in the Mirrox range are available on a very special introductory offer with up to £50 off RRP!*

## 12FT WAGGLER

*Designed and tested in the UK, on paper this 12ft, three piece float rod could be described as 'traditional' but it's far from it with a modern, full carbon design that makes it perfect for today's carp-stocked stillwaters. Like all good long range float rods the Mirrox Carp Waggler is fast on the strike with little bounce on the tip, and picks up line quickly thanks to the 12ft length.*

RRP:84.99 **ONLY £34.99** GL0783

## 10FT MICRO WAGGLER

*Designed for the tight pegs found on commercials, many top anglers have switched over to short, through action rods in recent seasons as they're perfect for smaller venues and have the benefit that when the fish is ready for netting it comes up close in so you tend to loose less fish. This two piece rod has a high quality, slim carbon blank and guides plus high grade cork/duplon handle, and screw reel seat.*

RRP:74.99 **ONLY £24.99** GL0785

## 11FT CARP FEEDER

*The creators of this new 11ft Mirrox Feeder reckon it's almost impossible to lose a fish on this new carbon rod as the action is simply superb, absorbing the runs and jags of carp into double figures while still retaining a sensitivity that makes it ideal for silvers too.*

RRP:84.99 **ONLY £34.99** GL0782

## 9FT MICRO FEEDER

*For many of the match anglers who were used to test the new range of Stillwater Mirrox rods, this is the rod they thought to be the 'star of the show'. Pick it up and you'll immediately notice its ultra slim carbon blank, which continues into the reel seat and slim duplon handle that makes it a dream to fish with.*

RRP:79.99 **ONLY £29.99** GL0784

# stillwaterpro carp wand

BEST SELLER

*An essential item in any commercial anglers armourey, the 8ft Carp wand has been rigously tested and is the perfect rod for short range method and pellet feeder tactics when casting to islands or features at 13-20m range when good presentation with the pole is not possible, this devastating tactic will on many occasions out fish the pole but most other feeder rods are simply too long leading to inaccurate casts both in direction and distance. The Carp Wand loads perfectly to enable a proper cast at short range leading to pin point accuracy time and time again. The 2 piece equal length construction allows the rod to be store and transported 'set up' so it is instantly ready on arrival at your peg. Supplied with 3 perfectly graded push-in tips of 1oz, 2oz and 4oz each of which blends perfectly and seamlessly into the pencil slim anti-lock blank, you will be amazed with the amount of power and control available. Don't let the price of this rod fool you, it's no toy, just a great little rod at a crazy price.*

# stillwaterpro UNBREAKABLE MARGIN RODS

**NEW 2012**

*One of the best-selling rods ever sold in the UK was a 6m long, telescopic margin rod launched by Chapmans Angling around eight years ago – demand simply outstripped supply within a week and they sold thousands over the following six months. To be honest it had a handle like the butt section of a 16m pole and was somewhat unwieldy, yet it performed incredibly well on the bank for catching big carp down the edge. Now there's a new line up of the these incredible rods, and they're even better than the original with reinforced carbon, high quality lined guides, and slim blanks – but with the same hit, hold, and haul power you'd expect from a piece of kit for margin fishing. Many anglers prefer to use long rods for fishing close in and at the bottom of the near shelf as they offer much more control than a margin pole and the addition of the reel means you can give line if a bigger than average fish picks up your bait. There are three rods in the range this time with 4m, 5m, and 6m versions giving you even more flexibility on the bank.*

*All three feature long, soft tips which protect your hooklengths at the crucial time when the rod is high and the fish are coming to the landing net, something you just don't get with the 'poker' margin rods of the past. They also all telescope down to a short, 4ft length which makes them ideal for slipping into short holdalls or leaving in the boot of your car ready for those quick summer trips to your local stillwater or river.*

*The 4m Stillwater Pro Unbreakable Margin version is an incredibly slim, 13ft long tele rod which is so light in the hand it can be used for running a float down a river or casting a waggler out into open water too – a real allrounder. Opt for the longer, 5m (16ft) Stillwater Pro Unbreakable Margin and you've got a rod that will outreach most long rods on the commercials to drop a rig close to margin features. It also offers more power than the 4m rod and can be used for carp well into double figures. The big boy of the range is the 6m Stillwater Pro Unbreakable Margin rod and at nearly 20ft long it's the perfect power tool for fishing long down the edge and at the bottom of the near shelf on the 5m line that matchmen have branded the 'money maker' swim as it tends to produce a lot of big fish late on in the day. With this rod, you'll be more than equal to these big fish!*

## stillwater BAITFEEDER FREESPOOL REELS

With classy looks these reels would look the part on any rod. With the gunsmoke and matt black finish and subtle cosmetics these tick all the boxes. A simple turn of the handle and the quality of these reels shines through. The silky smooth action sends the spool back and forth without a hint of vibration thanks to the 8 + 1 ball bearings, computer balanced rotor and double handle. A quick check on the anti reverse showed no movement whatsoever. Two sizes are available, the 6000GT for carp, pike and big river barbel and the 4000GT which is best described as a 'baby' version perfectly suited for all anglers on commercials and carp fisheries.

## stillwater TSM RD

***New for 2011, this is Stillwater's next generation of feeder reel and features an ultra-compact, mini-sized body, high speed gearing, and a complete package of extras which make it ideal for the modern angler.***
The Stillwater brand is making huge strides in the reel market and gets stronger every year thanks to their reliable performance, high quality construction, and sheer value for money. And the new Stillwater TSM range is one of the best they've ever produced, taking on the big brand name companies head on. It's a high performance, rear drag reel which comes with three machined aluminium spools, a choice of double or single handles, and a deluxe reel case with partitions, and only £39.99 in this special launch offer. Inside the compact body is a high speed gearing system with 10+1 ball bearings so it's not only quick on the retrieve but incredibly smooth too. A hard-wearing, chunky bail arm with power, anti-twist line roller and a balanced rotor help to deliver fabulous line lay which in turn aides longer casts, even with smaller feeders and leads. For anglers who like single or double handles you get a choice with this reel and both feature non-slip grips too and with the instant anti-reverse system you can set your quivertip perfectly without any fall back on the reel. A micro-adjustable rear drag is easy to use and set, and goes from freespool to locked up within a quick couple of turns so it's ideal for bolt rig tactics like straight lead, small to medium method feeders and feeder rigs with short hooklengths. The whole package – reel, handles, and spare spools – stores away in a fully padded, zipped carry case.

**FEATURES:**
- Drag: rear, micro adjustable
- Spools: Three medium depth machined aluminium spools
- Gear: 5.2: 1 high speed power gearing
- Rotor: Balanced with power bail arm and anti-twist line roller
- Handles: Two – single and double – both with non-slip hand grips. Left or right hand use.
- Ball bearings: 10+1

> ***Angling Times said:***
> "It might be mini in size, but this reel feels solid in the hand and packs in the quality and power for all your light to medium feeder and bomb fishing. Ideal for the short 9ft, 10ft, and 11ft rods we're all using on the commercials, it's also a reel that will be at home on the rivers for roach and chub fishing. For 40 quid you're getting a lot or reel for your money."
> ***Steve Fitzpatrick, Angling Times***

## stillwater SWP3000FD

***The Stillwater SWP3000 is a compact-sized, front drag float reel that has the finesse to be used with light floats for trotting with the guts to be teamed up with a pellet waggler rod for commercial water fishing too.***

It has loads of winding power for active float tactics and the grunt to play big fish while the 5.2:1 gear ratio will bring your rig back quickly should you miss a bite. The balanced rotor, power bail arm and anti-twist roller, plus machined aluminium deep and shallow spools give the SWP3000 a real quality too. In a special launch offer these reels are being sold at £24.99, and at that price it's a bargain that's hard to ignore if you're looking to upgrade your reels this season.

**FEATURES:**
- Body: Compact, 3000 size
- Drag: front, micro adjustable
- Spools: one deep, one shallow machined aluminium spools
- Gear: 5.2: 1 high speed power gearing
- Rotor: Balanced with power bail arm and anti-twist line roller
- Handle: Balanced with non-slip hand grips. Left or right hand use.
- Ball bearings: 4+1

**GL0815**

# BUDGET SPECI BUYS

## AS REVIEWED BY DAVE WOODMANSEY IN Improve your coarse FISHING

***Professional specimen gear doesn't have to cost the earth when you know what to choose.***

STILLWATER is the 'own brand' of giant mail order tackle specialist Chapmans Angling and I've been struck by the quality and value of some of the gear they're selling.

If you want to get into specialist carp angling on a tight budget, but want to buy kit that won't break faster than an MP can fiddle expense forms, there are smart buys here. The handsome 12ft, two-piece, Stillwater BPX Carp rods cost just £59.99 in either 2.75lb or 3lb test curve and they look and feel the business.

The slim, high modulus carbon blanks are capable of fishing PVA bags at range, yet have nice soft tips for playing fish.

The Stillwater BP Extreme Spod Reels (£29.99) proved a blindingly good find. Forget the 'Spod' name, these are smashing, compact, big-pit, large-capacity specialist reels with a solid and reliable feel to them.

The five ball bearing reels have top grade line lay, loads of winding power and cast brilliantly. They don't have a 'freespool facility, but I fettled that by replacing the standard spool caps with specialist Stillwater Quick Drag Spool Caps (£19.99 each). These simply screw on and allow you to go from full spool lock to freespool mode, in just an eighth of a turn.

For a sturdy and rock-solid rod rest, look at the Stillwater Multi Pro Pod (£34.99). This three-rod pod has a twin position leg block to lock the legs off at angles of 45 degrees or 90 degrees to suit conditions with extending body and fast cam locking mechanisms all round.

Finally, no self-respecting specimen angler would be seen on the bank without a matching remote bite alarm set.

The Stillwater Wireless Alarm Set & Receiver (£59.99) comprises a deluxe, cased set of three alarm heads (one red LED, one yellow and one blue) and a wireless receiver. Alarms feature push-button controls for tone, volume and vibration and come complete with all necessary batteries for instant action.

***Dave's Verdict***

Put all this together and you've got a setup that not only looks professional, it is professional! For the outlay, you're getting a good deal for your dosh!

## stillwater CARP SHACK BROLLY

The Carp Shack brolly is the specialist anglers dream. The brolly features a flat back which allows 4 robs to touch the ground. Once all 6 pegs are located in the pegging points, and a pair of cam lock spiral point storm poles are fixed to the stainless storm caps, this really makes this one of the most stable oval umbrellas around. The high quality nylon cover is rated to a 5000 hydrostatic head and features fully taped waterproof seams. The frame is constructed from high quality sprung steel and features a locking cap so the brolly will not collapse when you least expect it. Supplied in an easy fit carry case.

- 60" oval brolly
- 5mm sprung steel rib construction
- 6 steel ring pegging points
- 2 x 10mm spiral point cam lock storm poles
- Easy fit carry case 1m 80cm x 15cm

## stillwater CARP CABIN

The Stillwater Carp Cabin offers the ultimate in flexibility, stability and protection. The pram hood style construction offers the dedicated carp angler something that can only be described as the ultimate bivvy. The bivvy features and extended skirt that is particularly useful on uneven ground, or when you need to travel light and use without the tough heavy duty ground sheet. Tension strap is supplied as standard for use without a ground sheet. The Carp Cabin is simplicity itself to set up, the tough lightweight aluminium poles which means more time fishing. With a bit of practice it can be erected under 2 mins. Once erected and the frame support bars locked in place this is a truly versatile piece of kit which offers mozzy netting on all doors and windows as well as a removable clear PVC door panel for those wetter days. Multiple steel ring pegging points and 13 shock proof pegs also fill you with confidence even in gale force conditions. Heavy duty zips are fitted to all doors and windows on the Carp Cabin range. High impact polyuraphane clips are fitted to both the doors and side panels which allows you to fasten them back and turn your bivvy into an open front shelter. Supplied with easy fit carry case so packing can be as quick as setting up.

## stillwater CARP SHACK BIVVY

The Stillwater Carp Shack Bivvy, this bivvy system is pushing the boundaries in value for money, with flexibility and function been key to its design. This really is a bivvy system for the moble/ thinking angler..as its full package weigh is under 6kg!! The carp shack uses a pram hood construcion, utilising tough lightweight aluminium poles which incorparate moulded collars on the connection points. These are held into place with strong and secure tenstion bars. One of the main features of the carp shack is its removable front panel, this gives you the abilty to transform the bivvy to suit the situtions in hand. this is made from the same high performance 100% water proof material as the bivvy. there are also two rod straps on the front of the bivvy to hold your rods while seeing to them all important rig adjustments.
Comes supplied with Ground sheet, tension strap and pegs, and sizeable carry bag.

NEW 2012

## stillwater ts3

***Angling Times said :***
The smaller of the two boxes but by no means the poor relation.
For the modern pole angler who fishes the same waters week in week out, or those just looking for a compact box, then the three-drawer box is ample as it is lightweight, practical, and just as comfy as the five-drawer version. Starting at the top, the large seat is thickly padded and supports you well and features pole butt support, while underneath is a 10ins x 15ins aluminium tray for pole rigs and accessories.
The TS3 boasts two 1.5ins deep front drawers of 11ins x 7ins, plus a 15ins x 11ins full-length side drawer, and all three drawers have a foam lining to protect the tackle. There has been a lot of attention to detail on this box too, with a rubber seal around the lift-up seat tray and the 6ins deep base unit, so you won't get your tackle and rigs wet either.

**GL0647**
RRP: £139.99
**£79.99**

BEST SELLER

FREE FOOTPLATE **WORTH £40 !** GL0650

## stillwater ts5

***Angling Times said :***
For under £100.00 youll struggle to find a seatbox as well built as this new five-drawer Stillwater TS5. Boasting one of the best padded pole seats on the market, this sturdy, solidly-built box is a go-anywhere piece of kit that will stand up to years of rigorous fishing.
Its rigidity comes from the steel mid-frame design, which also makes it easy for you to add accessories like a footplate, side tray, and roosts. But the TS5 isnt a heavy item to lug around either – thanks to the aluminium unit that houses the drawers – and padded, clip-on/ off non-slip strap.
There are five drawers in total, four front drawers and a full-length side drawer, and each features the strongest magnetic closing of any box we've seen. Each drawer is also lined with protective foam to keep your tackle in shape. The sleek black finish combined with solid build means this should stand the test of time too.

**GL0648**
RRP: £189.99
**£99.99**

BEST SELLER

FREE FOOTPLATE **WORTH £40 !** GL0650

## stillwater ts5 pro

The TS5 Pro package offers the most in terms of storage space and extras in the Stillwater range. Boasting four front drawers, one cross drawer, winder tray and deep base it has more than enough room for all your accessories. It comes supplied with footplate and a large side tray. The drawers on the box feature magnetic closing and are lined with protective foam on the inside to keep your gear in shape. The smart black finish of the TS5, more than ample storage space, and extras such as footplate, sidetray make this a brilliant and complete seatbox package.

FEATURES:
* Padded pole seat * 4 Front drawers
* 1 Cross draw * Shallow winder tray under seat
* Footplate * Padded clip on carry strap
* Side tray

**GL0649**
RRP: £219.99
**£149.99**
**SAVE £70**

## stillwater sp3 pro

The new SP3 Pro Seatbox is without doubt the best value match or general coarse fishing box on the market. The box comes complete with a solid square leg frame system with adjustable non-marking legs. It features three front drawers (one deep, two shallow) which feature foam filled sides to protect your gear and help keep it in place. Also included is a deluxe footplate which folds up and locks in place for transportation and a large sidetray with detachable sliding bait bowl. There is also a winder/accessory tray under the comfortable padded pole seat. The box (and footplate) all feature telescopic legs which on many other boxes are an optional (and expensive) extra! A great seatbox package that really ticks all the boxes.

FEATURES:
* Padded Pole Seat * 3 Front Drawers
* Pole Winder Tray * Shallow base (3")
* Fold up Footplate
* Six telescopic legs with swivelling mudfeet
* Non-Marking legs
* Large side tray with detachable sliding bait bowl
* Padded clip on carry strap

**GL0646**
RRP: £199.99

## stillwaterpro SUBARCTIC 3 IN 1 suit

The Stillwater Sub-Arctic 3 in 1 suit provides the perfect solution for 5 season use in the UK climate. The suit consists of thermal jacket, bib and brace and removable fleece. As a suit for keeping you warm in inclement weather, it's perfectly layered to provide significant protection from the elements. Storm flaps cover all the zips and pockets to prevent water and wind penetrating the suit, whilst Neoprene sleeve cuffs keep moisture from leaking in through your arms. The jacket also boats a high collar, for all-round performance whatever the conditions.

*Comfortable Fleece*
*Made from soft fleece material that is both sturdy and very comfortable. The fleece can be worn on it's own or as an extra layer.*

A brand new tackle box system designed to give the carp and specialist angler a comprehensive tackle box system similar to some of the top named Carp brands already out there but without the huge price tag. The Accesory box system can be bought as loaded tackle boxes or unloaded with all the insert and modular tackle boxes available separately. All tackle boxes feature clear lids so you can see inside without opening the lids.

***A Great new system for 2012 available now.***

## CS RODS

Developed for the styles of fishing commonly used on today's commercial fisheries. Each rod has a short handle for ease and comfort whether you are fishing from a seatbox or a chair. The matt black blanks with high gloss logo have the look and feel of rods retailing far in excess of this range. Each rod is fitted with top quality lined guides and reel seat, EVA top grip, an engraved end cap and folding hook keeper ring.

NEW 2012

# "THE GREATEST ROD EVER FOR THE PRICE"

Mark Sawyer, Angling Times "Reviewing the 11ft CS Feeder Rod

### 11FT FLOAT

This short float rod is perfect for the increasingly popular commercial method of pellet waggler fishing. The fine through action is forgiving enough to absorb any sudden lunges at the net, whilst also having enough power to cope with hard fighting larger carp.

PR3383 RRP: £49.99 **£44.99** SAVE £5

### 12FT FLOAT

12ft two piece float rods were the start of the float fishing revolution that has dominated commercial fishing in recent years. The versatile length is ideal for a multitude of different situations. Featuring a crisp through action that offers enjoyable sport with smaller fish, yet powerful enough to subdue larger specimens.

PR3384 RRP: £54.99 **£49.99** SAVE £5

### 13FT FLOAT

The more traditional set up of a three piece 13ft float rod is ideal for practically any float fishing situation. Perfect for both lakes and rivers, with wagglers or stick floats. The crisp, forgiving tip gently transfers power through to the butt when larger species are hooked.

PR3385 RRP: £59.99 **£54.99** SAVE £5

### 10FT FEEDER

Manufactured from 3 pieces plus tip, still enable this rod to be stored ready made up, allowing you to be fishing within seconds of reaching the peg. Supplied with two tips this rod has a through action that is ideal for all commercial fishing situations.

PR3386 RRP: £49.99 **£44.99** SAVE £5

### 11FT FEEDER

Manufactured from two pieces plus tip, means this rod is ideal for leaving ready made up in your rod holdall. This means that you can start fishing in just a few seconds. Supplied with two tips, the 11ft Feeder has quite a powerful through action that is ideal for all styles of commercial fishing

PR3387 RRP: £54.99 **£49.99** SAVE £5

### 12FT FEEDER

A really versatile rod, with quite a powerful through action that makes it ideal for all styles of commercial fishing, especially when a longer cast is required, but is equally as suited to most river fishing situations. Supplied with two tips and constructed from two pieces plus tips .

PR3388 RRP: £59.99 **£54.99** SAVE £5

## CS SERIES REELS

The CS Series reels are perfectly suited to modern angling techniques on commercial fisheries. Whether float fishing or feeder fishing, these tough, lightweight reels have a powerful rear drag and a super smooth retrieve. It features a lightweight sealed body construction - An optimised body material means using the reel for long periods is effortless. The push button spool release means you can change spools quickly and with minimal fuss. What's more, they're compatible with all Korum rods, notably the Korum CS Series.

NEW 2012

| Code | Model | Price |
|---|---|---|
| PR4043 | CS 3000 | £39.99 |
| PR4042 | CS 4000 | £39.99 |

## NEOTERIC XS RODS

Korum has gained a good following in the specialist angling world over the last few years, with the Neoteric rod brand also gathering plenty of fans.This new range of Neoteric XS rods is looking to continue that success, offering two 12foot tip rods (Multi Quiver and Multi Quiver Power), two 12foot twin tops (Twin Top 1.25 and 1.5tc and Twin Top Power 1.75 and 2.2tc) and a pair of power float rods in 11 and 13foot lengths.

NEW 2012

### 12FT MULTI QUIVER POWER

Supplied with a quiver tip and a 1.75lb hollow tip, the Multi Quiver Power is a really versatile rod that has been developed for targeting larger rivers, with big chub and barbel, and is equally suited to fishing stillwaters for tench and bream.

PR3378 RRP: £99.99 **£89.99** SAVE £10

### 12FT TWIN TOP

Supplied with two hollow tips - 1.25lb and 1.5lb. Each one blends perfectly into the butt and provides a fantastic through action. The 1.25lb tip is ideal for light stillwater work as well as trotting big floats on rivers.

PR3379 RRP: £99.99 **£89.99** SAVE £10

### 13FT POWER FLOAT

At 13ft with a progressive through action, this four-piece rod is the perfect all-rounder. Ideal for all species, it's a float rod you can take anywhere and use for almost anything. This rod has plenty of power in reserve, yet retains a wonderful fish playing action and fantastic balance.

### 12FT TWIN TOP POWER

The Twin Top Power has a fantastic through action with plenty of power in the butt, comes supplied with two hollow tips - 1.75lb and 2.2lb. The 1.75lb tip is ideal when targeting barbel, tench and bream on the feeder.

PR3380 RRP: £99.99 **£89.99** SAVE £10

### 11FT POWER FLOAT

This 11ft two-piece float rod is an absolute joy to use. Designed for ultra accurate casting at short to medium range, this is the ideal rod for fishing tight to islands or tackling small rivers in enclosed pegs

PR3381 RRP: £79.99 **£74.99** SAVE £5

PR3382 RRP: £99.99 **£89.99** SAVE £10

## CLUB KORUM KITS

clubkorum.co.uk

Club Korum tackle meets with our ongoing mission through the I Love Fishing campaign, providing a fantastic option for anglers that are new to the sport. Our philosophy with Korum has always been that it's 'Fishing Made Easy', and the new Elements fishing kits reflect this principle. Club Korum tackle will enable more anglers to get into fishing, removing some of the doubt and confusion about what tackle is best to get them started. By creating ready-to-go fishing sets, complete with all the tackle they need for an an enjoyable day's float fishing, feeder fishing or pole fishing, the choice is now incredibly easy. With Club Korum, you'll start your fishing life with better quality rods, reels and poles that will serve you brilliantly until you're ready to step up to the next level. Becoming a member of Club Korum online will have numerous benefits. By Summer 2012 we will have a dedicated website featuring access to exclusive fishery guides, rig tips, videos, articles and advice from some of the best anglers in the business. With information on lakes, tactics and fishing tips, you'll be fully prepared for a great day's fishing with all the family.

## FIBRESHIELD BROLLY

Providing considerably more protection than a conventional umbrella, with a super-stiff fibreglass frame and the same high-strength cover material as the Day Session Shelter, the Fibreshield Umbrella is ideal for the angler looking for an umbrella that will suit them all year around. With the built-in side wings the Fibreshield Umbrella gives considerably greater side protection from wind and rain than a conventional umbrella, keeping angler and tackle out of the elements.

**NEW 2012**

PR3390
ONLY
**£89.99**

## SESSION SHELTER II

The innovative Session Shelter has been updated to provide even more cover. Extremely light and easy to set up. The Korum Day Shelter is far more stable than an umbrella and offers much more protection. New features now include elastic guards, storm-flap side with rain gutter to prevent water dripping from the front of the shelter and a slimmer profile when packed away.

| Code | Model | Price |

H :1600mm

## MULTI SHELTER

The innovative Korum Multi Shelter is only shelter you will ever need.Korum anglers visit many different venues throughout their fishing year, where in normal circumstances different shelter options would be required, that is until now.The Multi Shelter can be used a standard day shelter, with the added option of a zip in front. Incorporating a near vertical back, it is has a very efficient use of space for chair anglers as there is little wasted space behind the chair. This coupled with the generous head clearance makes it extremely comfortable for anglers of all ages and sizes. When accompanied by another angler or an overnight session is planned the Multi Shelter can be quickly extended, thanks to the innovative zip system, to create a generous sized bivvy. By removing the door it can also be used as a spacious two man day shelter.Without doubt the most practical and multi-functional shelter system available. Quick and easy to put up and lightweight to carry. Featuring a lightweight groundsheet, reinforcing poles, strong pegs and rod retaining Velcro straps.

BEST SELLER

The Super GT range of reels has earned a strong following over the years. The current GT-RC range can only enhance and advance this reputation through the many performance improvements contained within. External re-styling of the XT-7 body and rotor provides the perfect finish to precision engineering once again from Shimano.
Features include: Diecast Gear, Fightin' Drag II, Slow Speed Oscillation and Super Stopper II, AR-C Spool and Maintenance Port, double handles plus alloy spools with spare XT-7 carbon spool.

## SHIMANO BAITRUNNER ST

In classic black with an XT7 spool finished in silver, the ST models are packed with far more advanced features than you'd reasonably expect to find on a Baitrunner at this price point. Line lay is good thanks to our Varispeed oscillation which involves an oval and a square gear, computer engineered to interact perfectly. Incorporating a gutsy 4.6:1 retrieve, double handle and the equivalent of 5 ball bearings, the ST is available in both 6000 and 10000 models. 2 ball bearings.

## MAP FLAT V POLE ROLLER

The MAP Flat V pole roller offers genuine innovation and eliminates most of the problems associated with current pole roller designs. Its design means that pole breakages are no longer an issue thanks to the ultra large leg footprint which keeps the roller ultra-stable with protective end caps on the side rollers. The unique design keeps the pole central when shipping and the three way extending legs give it extra height when required. This lightweight roller also features a rapid assembly, quick lock leg design and is supplied in a deluxe carry bag.

LD8625
RRP: £65.00
**£57.99**
**SAVE £7**

## MAP TKS

These kits will fit all the TKS models perfectly. They are slightly heavier than the original kits and are built up at the female end so they can be cut back to fit other poles.

•All TKS Universal Kits are colour coded to ensure you know where to cut your kit back to.
•Simply choose which colour coded cut line to cut along to suit your elastic.
•Gently smooth the cut mark with some fine sandpaper.
•Finally, fit the correct size PTFE bush.

### UNIVERSAL TOP 3

**£34.99** LD7950

### UNIVERSAL POWER KIT

NEW 2012

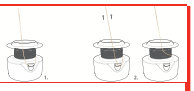
# MAP™ ACS AutoClipSystem

MAP's patented ACS (Auto Clip System) allows you to clip up safely without the fear of breakages. Described by the press as the biggest reel invention of the decade, the ACS clip will automatically release the line from the clip should you want it to.



## MAP ACS 4000 FREESPIN REEL

The new award winning ACS 4000 reel features innovation that has never been seen before on a reel. The Auto Clip System (ACS) is unlike any other line clip on the market. It has the ability to release the line automatically if a fish runs to the clip. The clip is totally safe and will not release the line from the clip until you want it to. This is achieved by simply back winding or playing the fish of the drag system. The line is never damaged as there is no clamping of the line like on normal line clips.

**FEATURES:**
- Patented auto clip system
- Supplied in deluxe padded reel case
- 1 x auto clip spools • Balanced rotor
- Right / left hand interchangeable double handle
- 8+1 ball bearings • Spare spool

**LD7976**
RRP: £69.99
**£59.99**
**SAVE £10**

## MAP ACS FD

Two brand new additions to the ACS Family for 2011, the ACS Front Drag reels are the ultimate commercial fishery reel. The 3000 size is ideal for shorter pellet rods, and the often now preferred bomb and picker rods. The 4000 is more suited for slightly longer rods or when a little more winding power is needed. Both models feature the revolutionary Auto Clip Line System and offer top draw performance to give you a reel you can really rely on. They look nothing short of stunning too.

**FEATURES:**
* Auto Clip System
* Instant anti-reverse
* 10 + 1 bearings
* S- Stroke gear drive system
* Worm shaft system
* Balanced rotor
* Anti-twist line roller
* Sensitive front drag system
* Supplied with extra spare deep spool

RRP: £89.99

# HARDY GREYS 2012

## HARDY MARKSMAN SUPERO

A brand new range of Marksman's for 2012, the Supero rods are the ultimate choice for the tackle connoisseur. All rods in the range feature the Hardy total anti-lock action, super high modulus blanks and the usual top quality fittings throughout which include full cork handles, fuji guides and custom Hardy reel seat. A beautiful range of rods which provide amazing lightness, balance and performance.

### 11FT 6" FLOAT 2PCE
Features a two-piece format so it can be tackled up and stored ready for action.Provides delightfully fast casting and striking power, combined with a forgiving nature that refuses to lock up, even when put under extreme pressure.
Hook length: 1 - 5 (lb)

GR1298 ONLY £249.00

### 13FT FLOAT 3PCE
This rod takes performance values to new levels, offering super crisp casting and striking properties. It's a great all-rounder, especially when taking a fine approach, gaining a big advantage when big fish are hooked on light tackle
Hook length: 4 (lb)

GR1299 ONLY £279.00

### 13FT EXTREME FLOAT 3PCE
This rod takes performance values to new levels, offering super crisp casting and striking properties. It's a great all-rounder, especially when taking a fine approach, gaining a big advantage when big fish are hooked on light tackle
Hook length: 1.5-6 (lb)

GR1300 ONLY £289.00

### 14FT FLOAT 3PCE
Combines astonishing lightness and balance with its longer reach, incorporating faster casting and striking power. This rod is perfect for casting heavily loaded waggelers and sliders to the horizon, or controlling big river floats.
Hook length: 1-7 (lb)

GR1301 ONLY £299.00

POST FREE

### 15FT FLOAT 3PCE
Provides amazing lightness and balance considering its longer reach. The high modulus carbon blank is further enhanced with super fast casting and striking power.
Hook length: 1.5-7 (lb)

GR1302 ONLY £309.00

### 11FT 6" AVON ROD 2PCE
The 11ft 6in Avon is the ideal choice for a "go anywhere, do anything" approach, especially when targeting bigger fish. It's extra length and 1.3lb test curve provides more power for demanding situations.
Hook length: 4-10 (lb)

GR1305 ONLY £289.00

### 11FT FEEDER 2PCE
Lightweight and well-balanced rod, offering just the right amount of casting and striking power for short to mid rage feeder and leger requirements.
Hook length: 1-5 (lb)

GR1308 ONLY £309.00

### 12FT FEEDER 2PCE
This rod sets new standards as an all-rounder for feeder and bomb fishing, balanced with surprising casting and striking power. Another prime feature is the super sensitive hollow carbon quivertips, which bring a new dimension to bite detection
Hook length: 1.5-7 (lb)

GR1309 ONLY £319.00

## HARDY MARKSMAN XT NEW 2012

A totally new addition to the Hardy range for 2012, the new Marksman XT come into the market as a more affordable alternative to the Supero whilst still offering many if not almost all of the qualities of it's more expensive stablemate. The Marksman XT range feature the same Hardy total anti-lock action and high modulus carbon blanks with top quality fittings throughout. Again these rods will find favour with the connoisseurs out there but are also expected to be popular among match anglers looking for a top quality rod for the local commercials.

### 11FT FLOAT 2PCE
A lightweight rod, designed to be stored tackled up - ready for action. Perfect for fishing tight swims and smaller venues, also when aiming to bag up on shallow feeding species like chub and carp.
Hook length: 1.5 - 5 (lb)

GR1313 ONLY £169.00

### 12FT FLOAT 3PCE
Designed for fine line usage. It's delightfully lightweight but has a positive casting and striking nature, backed up with a totally forgiving through action - which absolutely refuses to lock up.
Hook length: 1 - 1 (lb)

GR1314 ONLY £179.00

### 13FT FLOAT 3PCE
A top quality all-round float rod with a forgiving tip section, backed up with plenty of subtle lower power. The result is a first choice float rod, with a wide range of applications, from trotting rivers - to casting any type of stillwater waggler.
Hook length: 1.5 - 5 (lb)

GR1315 ONLY £189.00

### 13FT POWER FLOAT 3PCE
Sister rod to the Marksman XT 13ft Float design but with increased casting and striking backbone. It still provides a forgiving tip section, but this is backed up with more reserve power, all carefully combined with our Total Anti-Lock Action.
Hook length: 2 - 7 (lb)

GR1316 ONLY £199.00

POST FREE

### 11FT FEEDER 2PCE
This 11ft Feeder Rod is lightweight and well-balanced. Positive casting power and rapid responsiveness on the strike, perfect for close to mid range feeder and leger fishing.
Hook length: 2 - 7 (lb)

GR1319 ONLY £179.00

### 12FT FEEDER 2PCE
Designed as an all-rounder, this rod packs subtle extra power in its middle and butt sections, providing increased casting potential and faster line pick up on the strike.
Hook length: 2.5 - 8 (lb)

GR1320 ONLY £189.00

### 13FT FEEDER 2PCE
Bristling with power but carefully tempered by our Total Anti-Lock Action, providing a superb cushioning effect to prevent hook pulls when playing bigger fish.
Hook length: 2.5 - 10 (lb)

GR1321 ONLY £199.00

### AVON SMUGGLERS
Available in two sizes, a 6-piece travel design that can easily be fitted in a suitcase, or hidden out of sight in the boot of your car, and yet when assembled it performs just like a conventional rod.

| Code | Model | Price |
|---|---|---|
| GR1317 | 11ft Avon Smuggler 6pce | £189.99 |
| GR1318 | 12ft Avon Smuggler 6pce | £199.99 |

## GREYS PRODIGY READY ROD HOLDALLS

Prodigy Ready Holdalls offer full zip opening the easy way round so the reel goes in first!
* Features a reinforced base and ground contact points, a padded carry handle and padded clip-on adjustable shoulder strap.

Specifications
* Weight - 1400g
* Width: 12.5in
* Height: 6.2ft
* Depth: 12in

| Code | Model | Price |
|---|---|---|
| GR1217 | 1 Rod (plus 1 unmade rod) | £34.99 |
| GR1218 | 2 Rod (plus 2 unmade rod) | £44.99 |

## GREYS PRODIGY CARRYALL & NET BAG
This large carryall has been designed to transport a serious amount of gear, including the Prodigy Tackle Base Station. The latter fits in the main compartment, leaving plenty of room for a couple of stacks of bait boxes, a flask and other bulky items.

GR1431 ONLY £39.99 NEW 2012

## GREYS PRODIGY ON THE MOVE BAG
Prodigy On-The-Move Bag is perfect for when you need to travel light. It has a roomy main compartment, two useful rubber mesh end pockets and a large hinged front organiser pocket.

GR1210 ONLY £16.99

## GREYS PRODIGY COMPACT ROVING COOL BAG
Designed for travelling light or adopting the roving approach, this bag has a refreshingly novel lay out with sperate insulated end pockets, a big main tackle storage compartment and a large front pocket.

GR1430 ONLY £34.99 NEW 2012

## GREYS PRODIGY READY SLEEVES
As with all popular Prodigy luggage, these Ready Sleeves offer you better value and innovative features. They're well padded for extra protection, having strong reinforced bases and quality Velcro locking carry handles. Hidden inside the roomy reel pouches you'll also discover a handy spare spool pocket, which allows rods to be pre-tackled with just a spare spool, rather than tying up all your valuable reels!

| Code | Model | Price |
|---|---|---|
| GR1434 | 3 Piece 12-13ft Rods | £19.99 |
| GR1435 | 2 Piece 11-12ft Rods | £16.99 |

NEW 2012

## GREYS PRODIGY ROVING COOL BAG
There are two useful zipped end pockets, along with comfortable Velcro locking neoprene carry handles, an adjustable padded shoulder strap and a water resistant, reinforced base.

GR1211 ONLY £29.99

## GREYS GRIPPA BAIT BANDS
Greys Prodigy Grippa Bait Bands have unique moulded ridges. The outer ridges make them easier for you to work with, while the inner ridges gain a firmer grip on the bait.

| Code | Model | Price |
|---|---|---|
| GR1230 | Grippa Bait Band Brown Sml (35pk) * | £2.99 |
| GR1231 | Grippa Bait Band Brown Med (35pk) * | £2.99 |

# MIDDY POLES

An incredible new range of poles that have been years in development, each pole has been designed & tested to be THE best pole available in it's price bracket and the 16m World Pro is believed by some to be the best pole available today! Even outperforming competitors poles with a £2000+ asking price!

## MONEY BACK GUARANTEE

MIDDY & chapmans angling

We are so confident that you will be amazed at the quality and sheer brilliance of these new poles that if you buy one and don't agree it's the best pole out there for the price we'll give you a full 100% refund, we'll even collect it free of charge! What have you got to lose! These poles have to be seen to be believed, **ORDER YOURS NOW.**

## SHOCK CORE FUSION RANGE

This new Shock Core Fusion range of poles have taken the tackle world by storm. Skilfully engineered with the latest carbon material, these four new poles will cover all anglers-from the newcomer who wants to start with a decent pole, up to the most demanding of match anglers. The SRPs range from £250 to over £2000, with lowest recommended seeling prices starting at under £199.99. All top kits, sections and extensions are interchangeable across the four poles with power top kits starting from as low as £29.99

### HKD
The graphite used in these poles can withstand high temperatures of 3800K (Kelvin) which is the equivalent of 3502 centigrade. This HKD process means that the pole stays stable and rigid even in extreme summer temperatures.

### CS3
The carbon is formed into a macromolecular structure with 3 covalent bands which provide extreme strength and rigidity whilst allowing the poles to be light and perfectly balanced.

### MTDI
The CS-3 sheets used to manufacture the sections are then layered at special angles to achieve additional rigidity.

### VC-X
The carbon in these poles is cured under extreme pressure which forces any tiny air imperfections out of the sections

### FUSION
All kits and sections in the range are totally interchangeable. This does not mean they are identical but does mean that all fits are compatible. For example, sections used in the top-of-the-range XK55 are lighter and stiffer than those in the XM10, but the sections interchange if desired.

### S SLIDE
Sections are micro-ground to create a low friction surface, making shipping back faster and aiming effortless.

## MIDDY XK-55 16M WORLD PRO

The World Pro is comparable and arguably superior to other top pole brands flagship £2000+ poles, the World Pro is set to change the pole market for years to come setting new standards in quality and performance from a pole under £1500. There's never been a pole as good as this before for the price, order yours now and take advantage of our amazing no risk guarantee. This pole is designed for anglers who fish international or have international ambitions. Every single centimetre is like gold dust. A pole that is 16 strong and yet only 815g at 13M. It is as stiff as a poker and gives a lightening fast response.

**SPARES**

## MIDDY XT-I5 13.5M COMPETITION PRO

An amazing new carp pole the XT-15 takes all the qualities and strength now synonymous with poles from the Middy brand (White Knuckle, Animal Tamer, Shock Stikk) and adds more than a touch of finesse with it's incredible balance, weight and stiffness. Another superb pole that offers performance and quality never seen before for under £300, sure to be a favourite among club and commercial anglers the XT-15 is also available at 11.5 metres. Ideal for anglers who tend not to need to fish as long as 13 metres also ideal as a top end margin pole with extra versatility and length. This is more than a carp pole, it is also light and stiff enough for competition silver work, only 775g @ 11.5M. With a 22 rating it will withstand the rigours of commercials yet retains a touch of class.

# MIDDY X-FLEX 4G WAGGLER RANGE

The new 4G waggler rod range is designed by Middy's match consultants for dedicated competition anglers. they have refined their X-FLex technology to make them even softer in the tip section, yet more powerful over all. The 4G rods have incredibly slim blanks with top quality fittings throughout. All of this raises the bar, leaving Middy's competitors behind. Pick up a 4G waggler rod and you will instantly know the balance and action is right

MIDDY

## 4G MICRO MUSCLE WAGGLER 11FT

This super slim mini rod is a muscle packed machine capable of handling carp up to double figures. This really is a superb all-round micro-waggler rod. Mainline: 8lb

RRP: £99.99
**£69.99**
**SAVE £30**

## 4G BAGGIN PELLET WAGGLER

An excellent two piece short pellet fishing rod, for top commercial lake anglers. The fittings, guides and finish on all of the rods are excellent and each action has been well designed for specific situations. Mainline: 8lb

MI2488
RRP: £105.99
**£74.99**
**SAVE £30**

## 4G 390 WAGGLER 13FT

A conventional three piece construction, but that is about the only thing that is conventional about this rod. Using 3G X-Flex technology, Middy have created a super slim rod that is flexible in the tip for hitting into fish quickly. Mainline: 8lb

MI2489
RRP: £109.99
**£89.99**
**SAVE £20**

# MIDDY X-FLEX 4G FEEDER RANGE

These three 4G feeder rods have been designed by Middy match anglers to cover all feeder fishing situations. Middy have further refined their X-Flex technology to make them even softer in the tip section to allow for a more positive bite registration. They also have a slightly more through action which more quickly subdues carp. We have achieved this whilst making the rods more powerful overall.

MIDDY

## 4G MICRO MUSCLE FEEDER 10FT

The softer tip X-Flex action subdues carp quickly,yet a back bone of steel is in the mid section if needed. Available in three rods - Light Feeder, Medium Feeder and Heavy Feeder. Mainline: 10lb

# 30 PLUS 2012

## MULTI-CHAIR LEG ADAPTOR

Relaxing back on a chair is a great way of fishing, but it can leave you a little isolated from your rod(s). It is really ideal if you can drop your hand over the rod the instant you see any signs of a bite. 30Plus have now come up with an adaptor that allows you to convert your chair to allow you to do just that. The Multi Chair Leg Adaptor can be simply clamped around round legged chairs and convert your chair into a fishing station.

# RON THOMPSON okuma RODS AND REELS

## okuma SOLITRON RODS

A superb range of ultra slim rods with top quality IM6 carbon blanks. All rods in the comprehensive range are extremely lightweight and built to the highest standard with forgiving but powerful actions.

### SOLITRON MATCH

A comprehensive range of traditional match rods. The Solitron range are all built to the very highest standards, using IM6 carbon blanks the rods are slim and lightweight with excellent balance and responsiveness. There are four match rods in the range, the 13ft medium match is the perfect all-round float rod whereas the 13ft heavy is more suitable on commercials tackling bigger lumps or on rivers landing chub and barbel. There are two longer rods available, both ideal for stick float fishing on rivers were presentation is key.

| Code | Model | RRP | Price |
|---|---|---|---|
| SV7732 | 13ft Medium | ~~£59.99~~ | £44.99 |
| SV7733 | 13ft Heavy | ~~£59.99~~ | £44.99 |
| SV7863 | 14ft Match | ~~£64.99~~ | £49.99 |

### SOLITRON FEEDER

There are four Solitron feeder rods in the range all of which come with a selection of three push in quiver tips. They are built using the same IM6 carbon as the float rods which gives them a forgiving but powerful through action, ideal for casting feeders over distance whilst still being supple enough for landing soft mouthed fish. The 11ft medium feeder is ideal for small methods and commercials, whilst the two 12ft feeder rods are great all round tools. The 13ft model is perfect for fishing large methods on commercials or river fishing for chub and barbel.

| Code | Model | RRP | Price |
|---|---|---|---|
| SV7734 | 11ft Medium | ~~£64.99~~ | £49.99 |
| SV7735 | 12ft Medium | ~~£64.99~~ | £49.99 |
| SV7736 | 12ft Heavy | ~~£69.99~~ | £54.99 |
| SV7861 | 13ft Heavy | ~~£79.99~~ | £64.99 |

### SOLITRON AVON QUIVER

The Solitron avon quivers are available in two different models, both of which come supplied with an avon top and a quiver top with a selection of three push in quiver tips. The rods with the avon top fitted are ideal for barbel and specimen fishing on rivers and also makes great rods for floater fishing on carp venues. When the quiver tip section is fitted the rods can be used for a multitude of scenarios.

| Code | Model | RRP | Price |
|---|---|---|---|
| SV7737 | 11ft 1.75lb | ~~£74.99~~ | £59.99 |
| SV7738 | 12ft 2lb | ~~£74.99~~ | £59.99 |

### SOLITRON QUIVER 9FT

A superb short feeder rod the Solitron quiver is perfect for commercial fisheries when shorter cast are required. This ultra slim and lightweight rod will quite incredibly handle lines up to 10lb thanks to its IM6 carbon blank. A stunning rod that has to be seen to be believed.

- IM6 Construction
- Titanium oxide guide inserts
- Hard EVA & high quality cork handle
- Stainless steel hooded reel seat
- Two piece (+ tips) construction
- Aluminium butt cap with logo
- Supplied with 3 quiver tips

# MASTERLINE 2012

## JOHN WILSON ROD / REEL DEAL

### PERFECT FOR RIVERS & COMMERCIALS

***Get your hands on the UK's all-time best-selling rod plus a top-flight freespool reel to go on it in this incredible HALF PRICE offer.***

The Rovex John Wilson Signature Avon Quiver is probably the most versatile rod ever built and will happily handle a huge array of float and feeder duties on commercial pools, rivers and lakes. The rod — the favourite of Britain's most popular angler, TV's John Wilson — can be fished at 11ft or 13ft as an Avon heavy float, specimen, touch-leger tool, or fish it in quivertip mode with the supplied 1oz, 1.5oz and 2oz tips. This ultra-adaptable rod will fish reel lines from 4lb to 12lb for a wide range of species and normally sells for the recommended retail price of £79.99. The Specimen sized 4000GT reel has a machined aluminium spool with drilled skirt, designed to carry 350 yards of 12lb mono. This makes it perfect for all specimen carp and river work, plus heavier specimen jobs for carp, bream, tench, pike and zander on rivers, drains, lakes and pits. Nine ball bearings deliver silky smooth operation while the Baitfeeder Freespool facility allows a big fish to tear away with the bait without dragging the rod off the rest.

## ROVEX CERATEC 5BB REEL

The new Rovex Ceratec offers a phenomenal specification reel built to the very highest standards, giving you the very best when it comes to performance, durability, and most importantly reliability. With five ball bearings the Ceratec gives silky smooth rotation and will out perform other reels of twice the price. Available in front drag and rear drag models both feature infinite anti reverse, two aluminium spools and come supplied with two aluminium handles (one single, one double) A truly great package that sets new standards with regards to value for money, never before has such a high quality reel with such a great package been offered at such an incredible price.

Features:
- Five Bearing system • Infinite anti reverse
- Two aluminium spools
- Stainless steel main shaft
- Two aluminium handles

## ROCKET CARP

Our best selling rods by some distance this year, the Rocket carp range are fantastic rods that are perfect for commercials.

### ROCKET CARP WAGGLER

Great for commercial carping for all sizes of fish, excellent progressive power actions that allow the angler to catch good quality fish even on lighter lines. Fitted with EVA screw down winch fitting, two thirds cork, one third EVA handle, and quality lined guides throughout. 2-6lb line rating.

| Code | Model | Price |
|---|---|---|
| GG0018 | Waggler 10ft | £36.99 |
| GG0024 | Waggler 12ft | £39.99 |

### PELLET WAGGLER 11FT 2 PIECE

A superb new addition to the Rocket range, the 11ft pellet waggler is the perfect commercial rod. As with the other rods in the range it offers a full carbon blank, a superb action and top performance for an incredible price. The two piece construction not only gives the rod a smooth impressive action, it also makes it ideal for leaving 'made up' in a ready rod sleeve. Rated to 8lb mainline.

| Code | Model | Price |
|---|---|---|
| GG0036 | Waggler 11ft 2 Pce | £39.99 |

### ROCKET CARP FEEDER

The progressive parabolic action has enough power to accurately cast up to 3oz feeders as well as the backbone to be able to handle big carp efficiently. Made from HR carbon and finished off with quality lined T guides, 1/2 cork EVA butt with screw winch reel fitting. The rod comes with 3 sizes of interchangeable fibre glass tips. 3-8lb line rating.

| Code | Model | Price |
|---|---|---|
| GG0016 | Feeder 11ft | £36.99 |
| GG0026 | Feeder 12ft | £39.99 |

### ROCKET CARP PICKER

The Rocket Carp Picker is ideal for fishing the straight lead or small to medium sized feeder for all species and is perfect for commercials. The shorter length makes it ideal for tucking close to the bank in windy conditions enabling the angler to see the most delicate of indications. 2 Pce, 3 Tips. 2-5lb line rating.

| Code | Model | Price |
|---|---|---|
| GG0017 | Picker 9ft | £24.99 |
| GG0037 | Picker 10ft | £29.99 |

## MAXIM POWER MATCH 350 13M
